Empowering Freedom

③

Insert the PuK Combi in the opening from above.
**Important:** leave no space between the product and the surface.

④

Use the two screws to fasten the bracket and secure the product.

⑤

1 Connect the cable to the power adapter and plug it into the nearest power socket.

2 Connect the shuko module to the nearest power socket.

3 Use the cable clips to neatly secure the cables on the bottom of the surface.

⑥

Enjoy charging your devices with the PuK Combi.
